Poll Worker Training Information

In order to participate as a Poll Worker on Election Day, you are required to attend a training class.

Each class is designed to provide you the necessary tools to ensure you have a successful election day. Information, updates to election law, procedures, tips and proven practices are included in the instruction.

Classes are offered with your busy schedule in mind. We also offer online courses and hands-on lab training. Our Poll Worker Team is dedicated to your preparation.

Training for the Primary Election on August 26, 2014, will begin in June of 2014. A training schedule will be mailed to you, and the schedule will be posted on our website.

We look forward to seeing you in class!
