YOUR VOTE – YOUR VOICE

The primary election is behind us and we can report that our new optical scan voting machines performed flawlessly, as did our new audit process. After the primary we conducted a 100% automated audit – confirming the validity of every vote cast on all 45,319 ballots. Congratulations to those who voted in the primary, Leon County finished 2nd in voter turnout among urban counties and I know in November we can and will do better.

Two new Early Voting sites have been added in 2014; the Lake Jackson Community Center at 3840 N. Monroe St., and the Smith-Williams Service Center at 2295 Pasco St. This brings the number of our Early Voting sites to 7, and as we have done in the past we have staggered the hours of operation. Our downtown location, the Leon County Courthouse, will be open from 8:00 a.m. to 5 p.m., with the 6 suburban locations open from 9:00 a.m. to 6 p.m. On the final day of Early Voting Saturday November 1st, all sites will be open from 8:00 a.m. until 6:00 p.m. (see more details in the Early Voting section). We also have 13 days of Early Voting, restoring the days removed in 2011.

Now that the election process has been restored in Florida, all we need at the Leon County Supervisor of Elections office is your participation. Florida has some of the closest elections in the nation. The race for U.S. Congress and Florida Governor look to be nail biters. One of the biggest complaints I hear as Supervisor of Elections is voters don't have choices. There are stark differences between the candidates for state and federal offices this year, so that excuse won't fly. Adding the judicial races, County Commission contests and the far reaching state and local amendments on our ballot and I think we have the most important non-presidential year election I have seen in my 26 years as your Supervisor of Elections.

Millions will be spent on advertisements trying to convince you not to vote, that there's no good choice for you. Don't believe it. Your vote, your choice, is important not just for you, but for all of us, "We The People", and that's what this nation is all about.

See you at the polls!

A handwritten signature in blue ink that reads "Luis Sancho".

Free Parking Downtown

Once again, the Leon County Board of County Commissioners has approved the first hour free for parking downtown at one of two parking garages to ease the parking shortage for downtown early voting.

Two parking garages issue a yellow ticket and are operated by Republic. The two garages are operated by Republic and are: Kleman Plaza, 306 S. Duval Street, and the garage located at the southeast corner of College Avenue and Calhoun Street, 215 S. Calhoun Street. ADA accessible parking is provided along Calhoun Street with the public entrance to the Courthouse open during voting hours for ease of access. Affix your "I VOTED" sticker to your yellow parking ticket and the first hour is paid for by the Leon County Board of County Commissioners.

PROPOSED CONSTITUTIONAL AMENDMENTS	NO. 2 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 29	ONE CENT LOCAL GOVERNMENT SURATX EXTENSION
<p align="center">NO. 1 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 28</p> <p>Water and Land Conservation - Dedicates funds to acquire and restore Florida conservation and recreation lands</p> <p>Funds the Land Acquisition Trust Fund to acquire, restore, improve, and manage conservation lands including wetlands and forests; fish and wildlife habitat; lands protecting water resources and drinking water sources, including the Everglades, and the water quality of rivers, lakes, and streams; beaches and shores; outdoor recreational lands; working farms and ranches; and historic or geologic sites, by dedicating 33 percent of net revenues from the existing excise tax on documents for 20 years.</p> <p>This amendment does not increase or decrease state revenues. The state revenue restricted to the purposes specified in the amendment is estimated to be \$648 million in Fiscal Year 2015-16 and grows to \$1.268 billion by the twentieth year. Whether this results in any additional state expenditures depends upon future legislative actions and cannot be determined. Similarly, the impact on local government revenues, if any, cannot be determined. No additional local government costs are expected.</p> <p><input type="radio"/> Yes <input type="radio"/> No</p>	<p>Use of Marijuana for Certain Medical Conditions</p> <p>Allows the medical use of marijuana for individuals with debilitating diseases as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not authorize violations of federal law or any non-medical use, possession or production of marijuana.</p> <p>Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory and enforcement activities associated with the production and sale of medical marijuana. Fees will offset at least a portion of the regulatory costs. While sales tax may apply to purchases, changes in revenue cannot reasonably be determined since the extent to which medical marijuana will be exempt from taxation is unclear without legislative or state administrative action.</p> <p><input type="radio"/> Yes <input type="radio"/> No</p>	<p>To provide for projects designed to improve roads; reduce traffic congestion; protect lakes and water quality; reduce flooding; expand and operate parks and recreational areas; invest in economic development; and other uses authorized under Florida law; and to seek matching funds for these purposes, shall the existing one cent sales surtax within Leon County be extended until December 31, 2039, with project expenditures subject to annual independent audit and review by a citizens advisory committee?</p> <p><input type="radio"/> FOR the one-cent sales tax <input type="radio"/> AGAINST the one-cent sales tax</p>

ELECTION NIGHT RESULTS AVAILABLE AT 7 PM

Election Night results are broadcast on Comcast Channel 16 as well as live on our web site at 7 p.m. on Election Night. Results are updated every 10-15 minutes.

The first posted results include all of the votes cast through Early Voting and most of the results cast through Absentee Ballots. Precincts usually post their totals commencing about 7:10 p.m. and the majority are in by 7:45 p.m. If there are problems with the modem transmission from the precincts, then the results for that precinct are delayed as we wait for the Precinct Clerk to close down the polling place and transport the results to our Voting Operations Center.

Our goal is to have all precincts reporting as well as all absentee by midnight. There are still outstanding ballots under the review of the Canvassing Board, such as Provisional Ballots, Unscanned Ballots, and those absentee ballots from voters residing overseas, who by Federal decree are provided an additional 10 days for a Federal Election to have their votes counted.

PROVISIONAL BALLOTS

A provisional ballot is a time-saving tool for the voter when their eligibility to vote is uncertain. It allows the Supervisor of Elections Office to research the matter and present any evidence to Leon County's Canvassing Board.

You only have 48 hours to contact the Elections Office regarding your provisional ballot. If you have evidence, or information concerning your ballot, you must contact the Elections Office prior to 5 p.m. on the Thursday following an election. Call **(850) 606-8683** for more information.

Track your Provisional Ballot

The Canvassing Board decides if the provisional ballot will be counted when it meets on the third day following the Election. **Most provisional ballots are counted.**

Provisional ballots are often issued when:

- Voter requested an Absentee Ballot and did not bring it to the polls to surrender.
- Voter did not provide valid picture and signature identification.
- Voter's name was not found in the voter records on Election Day.
- Voter has not changed their previous Florida county address prior to Election Day.

Provisional ballots are often not counted when:

- Voter votes in the wrong precinct on Election Day.
- Voter has not registered 29 days before the Election.
- Voter has already voted in the Election.

Voters can track the status of their provisional ballot on our website.
