YOUR VOTE – YOUR VOICE

Every day millions of American children recite the Pledge of Allegiance in schools all across our country, committing us to a nation with “liberty and Justice for all”. On Tuesday, August 26, 2014, Leon County’s adult citizens will be provided with the opportunity to make that pledge real, by voting for the people you think are best suited to lead our community, our state, and our country.

After the failure of the last election to accommodate the voters – the wait time for most Florida voters was 45 minutes (last in the nation) - the Florida Legislature was forced to rescind the laws passed in 2011, restoring the two week early voting period and once again giving local election officials the flexibility to ensure all our voters can be accommodated without long waits

Locally, we have made additional changes to the voting process, adding two new early voting sites for your convenience, as well as buying new optical scan voting machines to replace the system we’ve had for the past 20 years. For the first time all voters, regardless of ability, can cast their ballots on the same voting machine, insuring voter equality. These changes will be addressed in detail in your Election Guide, so I hope you take the time to study it, and if you have any questions please call us so we may address your issue.

Finally, the Primary Election will determine who will be our next Leon County School Board District 1 member; who will be the Tallahassee City Commissioner for Seat 3; and who will be the next state representative for Florida House of Representatives in District 9. These races will not go to the November General Election, and are open to all voters residing in the proper Districts regardless of party registration. For these races the Primary is the General Election so don’t make the mistake of waiting until the November election to make your votes count.

See you at the polls!

Free Parking Downtown

Once again, the Leon County Board of County Commissioners has approved the first hour free for parking downtown at one of two parking garages to ease the parking shortage for downtown early voting.

Two parking garages issue a yellow ticket and are operated by Republic. The two garages are operated by Republic and are: Kleman Plaza, 306 S. Duval Street, and the garage located at the southeast corner of College Avenue and Calhoun Street, 215 S. Calhoun Street. ADA accessible parking is provided along Calhoun Street with the public entrance to the Courthouse open during voting hours for ease of access. Affix your "I VOTED" sticker to your yellow parking ticket and the first hour is paid for by the Leon County Board of County Commissioners.

PROVISIONAL BALLOTS

A provisional ballot is a time-saving tool for the voter when their eligibility to vote is uncertain. It allows the Supervisor of Elections Office to research the matter and present any evidence to Leon County's Canvassing Board.

Anyone who votes a provisional ballot has until 5 pm on the second day following the Election to present evidence of their eligibility.

The Canvassing Board decides if the provisional ballot will be counted when it meets on the third day following the Election. **Most provisional ballots are counted.**

Provisional ballots are often issued when:

- Voter requested an Absentee Ballot and did not bring it to the polls to surrender.
- Voter did not provide valid picture and signature identification.
- Voter's name was not found in the voter records on Election Day.
- Voter has not changed their previous Florida county address prior to Election Day.

Provisional ballots are often not counted when:

- Voter votes in the wrong precinct on Election Day.
- Voter has not registered 29 days before the Election.

Voters can track the status of their provisional ballot on our website.
