We are on the move! We are pleased to announce that as of August 1, 2017 the Leon County Supervisor of Elections office will consolidate all administrative and operational offices.

The new office will be located at 2990-1 Apalachee Parkway. We will no longer maintain an office inside the Leon County Government Annex at 315 South Calhoun Street.

What does that mean for you? It means that those looking to register to vote and update voting information, voters, poll workers, candidates and visitors will have a one stop shop for election related business. Amenities will include:

- Ample parking
- New poll worker training spaces
- New space for incoming and outgoing Vote by Mail ballot processing
- New Early Voting location
- A single storage location for election equipment
- A single location for administrative and operations staff

Stay tuned for details about our Grand Opening event to be announced later this Fall. For more information about our office move contact us at (850) 606-8683 or vote@leoncountyfl.gov. Follow us on social media @LeonVotes for election related updates.
