All registered voters in Leon County are eligible to elect County Commissioners based on single member districting. "At-Large" seats are elected countywide.

Each candidate for the office of district County Commissioner shall reside within the district from which such candidate seeks election at the time of qualifying to run for that office, and during the term of office each Commissioner shall reside within the district from which such Commissioner ran for office; except in the year of redistricting where any Commissioner whose residence is removed from a district by redistricting may continue to serve during the balance of the term.

Term begins the 2nd Tuesday after the General Election.

If three or more candidates, none of who is a write-in candidate, qualify for such office, the names of those candidates shall be placed on a non-partisan ballot at the first primary election. If no candidate for such office receives a majority of the votes cast for such office in the first primary election, the names of the two candidates receiving the highest number of votes for such office shall be placed on the general election ballot.

If a vacancy occurs on the County Commission, it shall be filled in accordance with F.S. 100.111.
