

Dear Supervisor of Elections Clerk,

Kids Voting Leon County (“KVLC”) is a nonprofit, nonpartisan, grassroots organization, which facilitates voter education and a real-life voting experience for students from kindergarten through twelfth grade on Election Day. Throughout the year, KVLC works with Leon County Schools by providing a civics and election-based curriculum that focuses on the importance of being informed and the responsibilities of voting. On Election Day, local KVLC volunteers staff many of the polling precincts throughout Leon County and the youth in our county come out to vote with their parents. Their votes are tallied and the results are provided to the entire community just like the adult election results.

As previously mentioned, in partnership with Leon County Supervisor of Elections (“SOE”), KVLC will have a “KVLC Precinct” at many SOE Precincts within Leon County. The KVLC Precincts will either have volunteers staffing the precinct or an area with KVLC Election materials with directions for KVLC Voters on how to vote. In addition, a handful of KVLC Precincts will also welcome middle or elementary school voters throughout the day.

Our KVLC Precinct Captains are instructed to set up the KVLC Precincts in areas that will cause the least amount of interference to the SOE Process. In addition, the KVLC Precinct Captains are responsible for setting up and breaking down the KVLC Precinct. The SOE Clerks are not responsible for anything related to KVLC; although, we do request that the SOE Clerks work collaboratively with the KVLC Precinct Captains and we ask for your patience on Election Day.

We look forward to working cooperatively with you this Election. If you have any questions prior to Election Day, please do not hesitate to e-mail us at kidsvoting@gmail.com.

Thank You,

Katie Ibarra
KVLC Chair
