2018 Primary Election Post-Election Audit

Leon County, FL – The Leon County Canvassing Board invites the public to witness the post-election audit of the August 28, 2018 Primary Election.

An audit is required after each election to verify the reported results. Florida Statutes allow for two types of audit: a minimal audit that looks at the results of one randomly selected race in one to two percent of the precincts in the election, or a comprehensive post-election audit that looks at the results in all races in a minimum of 20% of the precincts in the election.

Leon County was the first, and is now one of seven counties in Florida to audit to the highest standards possible. We perform a 100% post-election audit which retabulates every vote in every race on every ballot to ensure the accuracy of the results we report for each and every election.

The post-election audit of the 2018 Primary Election will occur on Thursday, September 6th at 9:00 AM in the Murat Room of the Leon County Elections Center (2990-1 Apalachee Parkway, Tallahassee, FL). Upon completion, the results of the audit will be posted online to www.LeonVotes.org. For more information, contact us at (850) 606-8683.
