Supervisor of Elections Office Conducts Outreach in Advance of Presidential Preference Primary Election

Leon County, FL – Mark S. Earley, Supervisor of Elections for Leon County, is pleased to announce outreach to voters in advance of the March 17 Presidential Preference Primary Election. To help ensure that all voters who wish to vote in this election will have the opportunity to do so, the Supervisor has mailed letters to approximately 45,000 Leon County voters who are not registered with either the Florida Democratic Party or the Republican Party of Florida.

Since Florida is a closed primary election state, only voters registered with the Democratic or Republican parties will be eligible to vote in this election. The letter informs voters that if they wish to participate in the Presidential Preference Primary Election, they can change their party affiliation before February 18, the party change and voter registration deadline for this election. Voters who wish to change their party affiliation, or verify their current selection, can do so by visiting the Supervisor’s website at LeonVotes.org/OVR.

Voters who are registered with either the Democratic or Republican Parties will be mailed an election guide in February. The guide includes key information about the election, including a sample ballot, early voting dates, and how to request a vote-by-mail ballot.

Voters with any questions are encouraged to contact the Supervisor of Elections Office at (850) 606-8683 or via email at Vote@LeonCountyFL.gov
