**Supervisor of Elections Advises Leon County Residents on Unofficial Mailings**

The Voter Participation Center and the Center for Voter Information are nongovernmental, third party organizations that encourage voter registration through direct mail campaigns. A new mailing is expected from both organizations beginning June 19th. The mailings will contain a notice addressed to individual recipients regarding their registration status, a pre-filled Florida Voter Registration Application, and a return envelope pre-addressed to the Leon County Supervisor of Elections office.

Be advised that the Leon County Supervisor of Elections Office has neither printed nor distributed these unofficial mail pieces. Our office did not supply the data used in the mail pieces. The mail pieces can contain outdated, unofficial, or inaccurate information about the recipient's registration status. In 2018 and previous years, these organizations distributed similar direct mail pieces. Erroneous information in past mailings misled some Leon County voters about their registration status. That is why we are alerting our citizens to these upcoming mailings by the organizations.

For the most accurate information, check your official voter registration status by visiting our website, [www.LeonVotes.org](http://www.LeonVotes.org) (click Your Voter Info), or by calling our office at (850) 606-8683 Monday through Friday, 8:30am to 5pm. Solicite recursos en español en persona, por teléfono o en [LeonVotes.org/es](http://LeonVotes.org/es)

To be removed from future mailings by The Voter Participation Center and the Center for Voter Information, we urge you to contact them directly.
