PUBLIC NOTICE

Re: Pending Order to Cure Ballots Not Counted Due to Signature Mismatches

The Leon County Supervisor of Elections office is proactively contacting voters whose ballot was not counted due to a signature mismatch but was received by our office by 7:00 p.m. on November 6th.

Because time is of the essence, our office is doing this to prepare for a possible order from the Florida Secretary of State that these voters have additional time to cure the signature mismatch.

Based upon our understanding of the Order Granting Preliminary Injunction by Chief Judge Mark Walker, our office has what we believe to be 38 ballots that fall within the parameters of the judge's order.

Our office will release more detailed information as it becomes available.
